

President's Message

Greetings Colleagues,

On behalf of the Board of Governors, Officers and Committee Chairs of the Louisville Chapter, welcome to the 2003-2004 chapter year! We are privileged to begin the new year with 147 active members and a financially strong chapter. And, thanks to the dedication and leadership of Michele Welscher as last year's president, the chapter enjoyed a second year of outstanding quality and excellence as recognized by the IIA Headquarters "GOLD" status for 2002-2003.

As President, I would also like to thank Carl Balderson for his hard work and guidance to the local chapter over the past 13 years. Carl accepted the Director of Audit Services position at Pinnacle West Capital Corporation in Phoenix Arizona and has since tendered his resignation as treasurer of the local chapter. Carl has held both the role of President and Treasurer of the local chapter and will be sorely missed. Bob Aemmer of LG&E Energy accepted the role of chapter treasurer.

This summer has been busy as the board of governors, officers and committee members have been working hard to plan a new calendar of speakers and seminars based upon current events and needs of our chapter members. In the upcoming months, the calendar and the transition of the new officers will be completed. Thanks to all the leaders who participated in the planning.

I am excited and honored to represent the Louisville Chapter as President for the upcoming year. Our goal is to provide a forum for education and networking with our peers. We are all both teachers and students in Life and must continually refine our profession as well as ourselves. Please stop me or any of the officers and other committee members at a monthly meeting and let us know how we are doing.

Please join us at our first monthly meeting of the new calendar year. The meeting will feature Steve Tisdell from Nashville Management Group, Inc. talking about "how to evaluate risk under Sarbanes Oxley"

I look forward to seeing each of you on September 9.

John Kilroy
President – Louisville IIA Chapter

“How to Evaluate Risk Under Sarbanes Oxley”

Speaker Bio

Steve Tisdell

- An experienced public company chief financial officer and CPA with more than 25 years of financial experience

PayPal is an quick and simple way to pay for monthly IIA meetings. From the chapter web site (www.iialou.org), go to the meeting and seminar schedule page. Click the "pay now½" button for the meeting you wish to pay for. If you already have a "PayPal" account, simply verify the amount, enter your log-in and password. *If you don't already have a "PayPal" account*, you will need to fill in the information for new members (similar to other e-commerce web sites such as Amazon). Once you have completed the transaction, you will be sent an e-mail receipt by PayPal and be returned to the Louisville IIA web site. The local chapter also receives an e-mail that tells us you have paid. You will **still need to contact Carrie Ramsey** with your menu choice. All information is exchanged via HTTPS protocol (secure and encrypted) and remains with PayPal.

If you do not see the September 9 meeting in paypal just select one that is available at the \$20.00 rate. The meeting is currently not on the site, it will be there by tomorrow. You may also pay by check or cash at the meeting.
