Message from the President

I was pleased with the turnout for our first meeting this year, several new faces and many old friends attended the event. Steve Minder did a great job presenting on the topic of Independence and Objectivity. Those attending received 2 CPEs. The Louisville Chapter offers many opportunities to assist you in obtaining economical CPE and network opportunities with people that face many of the same professional challenges. I hope you will take full advantage of the many benefits of membership in our Chapter.

I am very excited about the two meetings we are sponsoring in October. Our first meeting is a joint meeting with the Central Kentucky Chapter and will be held in Frankfort at the offices of KHEAA. While I know that Frankfort is 40 miles away from Louisville, I hope you can find the time to come hear our State Auditor, Crit Luallen speak. You won't be disappointed. Her topic "Guarding Taxpayers' Trust" can resonate in any industry by replacing the word "Taxpayers" with "Stakeholders". I hope you will join us.

New this chapter year, we are hosting the first of three meetings in the East End of the county. The first meeting will be a joint meeting with the Kentucky LOMA Society and will be held on October 20, 2009 at the Republic Bank regional center located in Springhurst. The topic for this meeting is on Ethics and will be held for 2 hours (those CPA's needing to beat the deadline for the new Ethics requirements may want to attend this meeting). Marvi Arvin, University of Louisville will present on this important topic.

On December 3 and 4, 2009 we will be hosting a seminar for financial auditors that need additional exposure to the fundamentals of IT auditing. Richard Cascarino will present an 16 hour course designed specifically for the auditor that does not have a strong background in technology. As we all know, the toolkit for today's auditor must include how to evaluate basic IT controls to perform most of their assignments effectively.

Great things are happening in the Chapter this year and I hope you will join us and *Experience the Opportunities*.

Warmest regards,
Jodi

By-Laws Approved and New Board of Governors Elected

Congratulations Ann, Connie and Heather and welcome to the Board of Governors, we look forward to working with you.

CAP Update

Our chapter is up to 475 CAP points as of the end of September. There were 38 members and 5 non-members at September's monthly meeting, and we earned double CAP points for attendance because it was a 2-hour meeting. Thanks to your involvement in chapter events; we are already 200 points ahead compared to last September.

As a reminder, the three service categories evaluated by the IIA are Service to Members, Service to Profession, and Chapter Administration.
